

Greetings from Evergreen Farm!

Welcome back! For those of you who have just discovered us, it's about time!

The heavy rains of spring gave a boost to greenery this year. As a result, we have more trees ready for harvest. We continue to plant each spring, and this year's plantings will be ready in 2013 or so. Save the date! One has to be an optimist to be a Christmas tree grower – especially if one is an old Christmas tree grower!

We have made some physical improvements, which should make your visit a bit more pleasant – more parking space, more outdoor lighting for latecomers, better lighting in the carriage shed, and more workers to serve you.

Speaking of our workers – haven't we rounded up some of the nicest young folks to serve you (along with our friendly, industrious adults)? Hand picking a crew every year is no small task. Every year some leave for college and we have to find new ones!

For those of you who like our wreaths, roping, table decorations and the like, it would help us if you could order ahead, so we can be sure to have what you need when you arrive. Order by the third week of November at (978) 855-6073 or by email at rgauld@comcast.net.

And finally, by coming here each year, you are the reason we can stay EVERGREEN! Thank you, and Merry Christmas!

Bill, Julie and crew
